

## College of Business Dean Search Update

Dear Members of the Lehigh Community,

As I shared with you this summer, Georgette Phillips, Dean of the College of Business, plans to retire at the end of the academic year. We are beginning the search for new leadership for the College of Business at Lehigh. I write today to provide an update on this process and inform you of the search committee members.

Dean Beth Dolan has agreed to chair the committee and Cheryl Matherly has agreed to serve as vice chair. Very soon, this committee will begin a series of meetings with stakeholders to better define experience and characteristics that we are seeking in this important role and to review candidates for the position.

I encourage those interested to provide thoughts and feedback to the committee by sending e-mail to: [provost@lehigh.edu](mailto:provost@lehigh.edu). I thank the members of this committee in advance for their work on this important task. A website describing the search process and timeline is available at <https://provost.lehigh.edu/executive-searches/dean-college-business>.
