## Second Reappointment (R2) Schedule for Fall 2023 Cycle

**This schedule should be used for faculty who have had tenure-clock extensions, pushing their current appointment end date to August 14, 2024.**

To provide timely notice of reappointment decisions from the provost to the candidate in the late spring, the portfolio must be submitted in Lyterati by the dean to the provost before **December 14, 2023**. Please refer to Section 2 of the Rules and Procedures of the Faculty for process details. Department chairs must consult with dean's office to ensure any college-specific guidelines are followed for additional requirements.

**Each individual college is responsible for defining a schedule to ensure timely submission deadlines to accommodate the December deadline.** The department chair and/or dean's office must inform the candidate and the Provost's Office about any concerns in meeting the deadline.

### Steps in Reappointment Process:

#### Confirming Candidates for Review:

1. By **March** of each year, the Provost's Office will provide each college with a list of assistant professors due for reappointment review in the upcoming academic year.
2. The Dean's Office will review this list with their departments for accuracy and notify the Provost Office of any discrepancies.

#### Lyterati:

1. Candidates may begin to upload materials to Lyterati in **mid-August**, when the modules have been launched and announced for the academic year review cycle.
2. Candidates, department chairs, and all other faculty reviewers and individuals involved in the review process must follow individual college timelines to ensure timely submission of the dossier from the dean to the Provost Office by **December 14<sup>th</sup>**.

*The provost expects quality checks at each level to ensure all documents are included in Lyterati to avoid having to send the dossier back for corrections. College Level Administrators are responsible for completing a full review of the online dossier to ensure all letters are uploaded and buckets are completed in the Lyterati system before submitting the dossier to the dean.*

#### Provost Recommendation Letters:

Candidates will receive an official letter of reappointment from the provost no later than **June 15<sup>th</sup>**
